EL RIO VECINOS BLOCK PARTY 2024

SPONSORSHIP OPPORTUNITIES

WHO WE ARE

The El Rio Vecinos is a group of young professionals with a collective goal to help make a difference in our Tucson community. Volunteer members work together to raise money and network with amazing young men and women to benefit El Rio Health and the Tucson Community.

Beyond the dollars raised, Vecinos have volunteered countless hours towards other El Rio Health events such as Reach Out and Read and the Children's Back to School Immunization Event. Vecinos also partner with other nonprofit organizations and attend monthly volunteer activities to make a difference.

The spirit and passion of the membership translates into immense community impact that has rippled far beyond the dollars raised. Vecinos are stewards of the community and take pride in making Tucson a better place to live!
